Reading Quizzes for Kids using the Deep Blue Kids Bible

We have worked with literacy experts to create the following reading quizzes for children, based on the "Bet You Can" reading challenges found in the Deep Blue Kids Bible. These quizzes help children comprehend what they've read.

The "Jump In" questions can be answered directly from the Bible passage and have one correct answer. The reader can return to the text to find the correct answer.

The "Dive Deeper" questions are inferential. These types of questions use the reading as a foundation, but children also use their brain power. Their answer is based on a little of what they already know, their original thinking, and help from the Bible passage. There is no one right answer to this type of question. You cannot predict what the reader will say, and the answer will take more than two words to explain.

The "Grow Stronger" questions, or critical questions, do not require the book to answer.

Children can take these quizzes on their own as part of their Bible study, or these questions also are a great tool for parents and other adults to start meaningful conversations with their kids about the Bible stories and the children's experiences with scripture.

1. How old was Noah when the flood waters arrived on earth?
2. How long did it rain upon the earth?
3. Who was on the ark with Noah?
4. What animals were on the ark?
5. What did God wipe out with the flood?
6. How long did the water rise on earth?
7. What do you think it was like living on the ark while it rained for forty days and forty nights?
8. What do you think Noah thought when God asked him to build the ark?
9. God told Noah to bring two of every creature that breathes with him on the ark. Why do you think God wanted Noah to bring all those creatures with him?

10. Noah was 600 years old when the flood waters arrived on earth. 7 Noah, his sons, his wife, and his sons’ wives with him entered the ark to escape the floodwaters. 8 From the clean and unclean animals, from the birds and everything crawling on the ground, two of each, male and female, went into the ark with Noah, just as God commanded Noah. 10 After seven days, the floodwaters arrived on the earth. 11 In the six hundredth year of Noah’s life, in the second month, on the seventeenth day—on that day all the springs of the deep sea erupted, and the windows in the skies opened. 12 It rained upon the earth forty days and forty nights. 13 That same day Noah, with his sons Shem, Ham, and Japheth, Noah’s wife, and his sons’ three wives, went into the ark. 14 They and every kind of animal—every kind of livestock, every kind that crawls on the ground, every kind of bird—15 they came to Noah and entered the ark, two of every creature that breathes. 16 Male and female of every creature went in, just as God had commanded him. Then the Lord closed the door behind them.

117 The flood remained on the earth for forty days. The waters rose, lifted the ark, and it rode high above the earth. 18 The waters rose and spread out over the earth. The ark floated on the surface of the waters. 19 The waters rose even higher over the earth; they covered all of the highest mountains under the sky. 20 The waters rose twenty-three feet high, covering the mountains. 21 Every creature took its last breath: the things crawling on the ground, birds, livestock, wild animals, everything swarming on the ground, and every human being. 22 Everything on dry land with life’s breath in its nostrils died. 23 God wiped away every living thing that was on the fertile land—from human beings to livestock to crawling things to birds in the sky. They were wiped off the earth. Only Noah and those with him in the ark were left. 24 The waters rose over the earth for one hundred fifty days.

13. How are animals different from each other in the ways they can communicate (dogs vs. cats vs. horses vs. elephants vs. birds)?

14. Do you think animals communicate with people? Explain how specific animals communicate with people.

15. What do you think would happen if it starting raining today and it rained for forty days and forty nights?

16. Noah’s family spent more than forty days and nights in the ark while it rained. The named days listed in Genesis 7:10, 12, 17 and 8:3, 10, 12 total 293 days. Using the dates the Bible says Noah entered and exited the ark gives us a total of 377 days. That’s more than a year on a boat with animals.
Behaving as God’s children

27” But I say to you who are willing to hear: Love your enemies. Do good to those who hate you. 28 Bless those who curse you. Pray for those who mistreat you. 29 If someone slaps you on the cheek, offer the other one as well. If someone takes your coat, don’t withhold your shirt either. 30 Give to everyone who asks and don’t demand your things back from those who take them. 31 Treat people in the same way that you want them to treat you.
